

## Do you shop, dine, or gas up at any of these great Canadian retailers? If so, read on...

Buy GIFT CARDS through BHS BandBoosters for everyday purchases, to give as gifts for birthdays or the holidays, or for your business needs.

The revolutionary FundScrip program allows us to turn your everyday spending into extraordinary results!

Up to 15% of your everyday purchases will be automatically donated back to BHS Music Program!

Imagine buying groceries and gas, clothing, and entertainment, things you already buy each week from your favourite stores, while earning money back to BHS Music Program

Please visit [www.fundscrip.com/retailers](http://www.fundscrip.com/retailers) for the complete list of participating retailers. Also, feel free to contact your group's administrator Mariana Lee-Lum ([bhsmusicfundscrip@gmail.com](mailto:bhsmusicfundscrip@gmail.com)) for further details.

### Hmm. Sounds good. So, what's the catch?

The catch, if there is one, is that you need to be a little organized in your shopping; however, you already buy groceries and gas on a regular basis. You know how much you spend and where you like to shop. So, as it turns out, the idea of buying gift cards for those purchases a couple of days in advance isn't such a "catch" after all. Just imagine, if you spend \$200/week on groceries and you pre-purchase your grocery gift card through our group, that is \$6.00 back to BHS Music Program per week.

In 10 months, you alone could earn a minimum of \$240.00 back to BHS Music Program, simply by doing something you do everyday ... and that is a conservative estimate. Add gas, entertainment, and clothing and that amount will rise substantially.

### What's in it for me?

When you buy a gift card from us at face value, you pay nothing more and you can still take advantage of any in-store promotions, such as coupons, specials, or points programs. These cards are just like cash. The only difference is that you raise funds for our group. You can help make a difference and be part of the solution toward achieving our fundraising goals. And please remember gift cards for those purchases outside of just gas/groceries ... birthdays, anniversaries, entertainment and clothing!
