

Grade 11
You Tube Assignment
Listening Assignment - Comparison

Your assignment is to find and compare two online recordings of your instrument being played. Please provide complete information on each recording:

- 1- URL (<http://www.youtube.com/>...) *I should be able to click on the link and go directly to the web page*
- 2- Name of performer
- 3- Name of piece
- 4- Composer (if different than performer)
- 5- Date of recording/performance (if available)

Your comparison should focus on the tone being produced by each performer (clarity, airiness, volume, raspiness, etc.) as well as the musicality displayed (phrasing, dynamics, emotion). When comparing the two recordings, please refer to each performer's name, rather than "The first performer..."

- *There is a lot of junk on youtube ☺ Please make sure that at least one of your recordings is done by a good performer.
- *If your video is more than 3 minute long, please specify what section of the recording we should be focusing on (indicate time).
- *Please make sure that the URL is accurate so that we can watch the video.
- *Your assignment should be about one full page in length.
- *Please share your assignment as a GOOGLE DOC only.
